Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Completely Ridiculous! You guys are hilarious!!

Any Alternative or New Recommendations on This Agency: I've got a better idea on what we should do for all of these so called "health care professionals" that you propose to terminate. Let's train monkeys and slave laborers how to be Respiratory Therapists etc. We could even bring in convicts or parolees to handle these jobs. We'd be able to save a ton of money this way. Let's have the monkeys and convicts trained in China so we dont even have to worry about the overhead on the education expenses. In fact lets do away with all schooling in America. Sure hope we dont get sick. Ahh... What the hell. We'll be fine.

My Comment Will Be Made Public: I agree
