Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Timothy

Last Name: McComack

Title: Radiographer

Organization you are affiliated with: Parkland Hospital

City: Dallas

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to removing the MRT requirement. I believe it would reduce the quality of care for patients across the state. To reduce the required education/ professional requirements would not serve our patients well, and increase the amount of radiation exposure to the patients as well.

Any Alternative or New Recommendations on This Agency: If we make any changes it should be increase the education/training requirements for our states Radiology technologists. This will improve patient care at large.

My Comment Will Be Made Public: I agree
