Your Comments About the Staff Report, Including Recommendations Supported or Opposed: This message is in regards to midwives. I choose to deliver my last two children thru Edenway Birthing Center and in the future I will choose them again. My experience was attentive and healthy. I recommend that all women that are low risk to experience giving birth with the help if educated caring women.

Any Alternative or New Recommendations on This Agency: That midwives should be able to practice in the same capacity or even a greater than already available to them

My Comment Will Be Made Public: I agree
