Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Ronald

Last Name: Meyers

Title: Historic Code Enforcement Officer

Organization you are affiliated with: City of San Antonio

City: San Antonio

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I do NOT support the recommendation to discontinue state regulation for Code Enforcement Officers.

Any Alternative or New Recommendations on This Agency: Texas Code Enforcement Officers are committed to providing professional and crucial health services to our local communities. Deregulating these officers will have a devastating and lasting negative effect on our environment, and will allow civil criminal activities to flourish without ramifications or consequence. If the state wishes to allow its citizens to reside in a landfill, it will pass this preposterous recommendation. This "stunt" has been attempted by the City of Dallas a few years ago by contracting it's enforcement program with disastrous effects. I reiterate; I implore you to NOT discontinue state regulation of code enforcement officers.

My Comment Will Be Made Public: I agree
