Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I object to abolishing licensure for dyslexia therapists and practitioners. I assess and teach dyslexic learners 1st - 6th grade in public school. This license reflects the high level of training and knowledge I have in the field of Dyslexia. Our school district seeks Licensed Dyslexia Therapist to identify and teach dyslexic learners. The loss of licensure would definitely be a setback for public school.

Any Alternative or New Recommendations on This Agency: Please recommend that the Department of State Health Services include licensure for dyslexia therapists and practitioners.

My Comment Will Be Made Public: I agree
