Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Nancy

Last Name: Miller

Title: Registered Radiologic Technologist RT(R)(M)(BD) (ARRT), TDSHS Licensed

Organization you are affiliated with:

City: Hutto

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not do away with TDSHS licensing of Radiologic Technologists. Although we have the ARRT (national) license to fall back on, the State still needs to have oversight. There should be no "Button Pushers" allowed in the State of Texas with regards to Radiologic Technologists. We go to school for too long and maintain licensing credentials for both Texas and Nationally and it should continue to be that way. I have been a Technologist for 22 years and I do not want to see my profession go down the tubes! Our patients deserve better than that!!

Any Alternative or New Recommendations on This Agency: Continue to keep the license requirements for Radiologic Technologists through TDSHS.
