Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I have had the excellent care and support through my first pregnancy with an amazing midwifery team. They supported, encouraged, educated and treated me well through the ups and downs. They were not only my care providers for my pregnancy but friends after. Wouldn't do it any other way!

Any Alternative or New Recommendations on This Agency: No. They were just what I imagined having a midwife and birthing center birth.

My Comment Will Be Made Public: I agree
