Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I just want to say that I love my midwife, and I have been very lucky to have many in my life. I believe in order to keep birth safe, normalized, and up to a woman to make her choice of her birth, we have to keep midwives and encourage the public.

Any Alternative or New Recommendations on This Agency: Help them become approved with Texas medicaid!

My Comment Will Be Made Public: I agree
