Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am a former member of the Texas H.O.P.E. Literacy team. I was a Grammar Tutor, then moved up to Literacy Coordinator. Lucy Smith's program helped me in many ways, by teaching me responsibility, accountability, patience, and understanding by working one-on-one with those who were seeking their GED or just learning to read and write. The curriculum she implemented was and is one of a kind. It not only makes learning easier on the student, but makes teaching the material easier. Outside of Tutor Time, I learned a lot about myself as an important and worthy individual. I learned how to communicate more effectively with others, regardless of the situation. I support Lucy Smith and recommend her program, Texas H.O.P.E. Literacy, to anyone looking to learn and change for the better.

Any Alternative or New Recommendations on This Agency: I recommend state funding for this agency.
