Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am very concerned about the plan to change the oversight of my Licensed Professional Counselor license. As a master's level counselor, I believe it is imperative that this process and it's requirements be overseen by licensed professionals. Consumers of mental health services will be poorly served if the standards are relaxed. Please reconsider the recommendation to change our board.

Thank you,

Connie B Moulder, M Ed, LPC, Registered Play Therapist

Any Alternative or New Recommendations on This Agency: Please maintain the oversight of Licensed Professional Counselors in the state of Texas under the current board.
