Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Christa

Last Name: Murray

Title: Dean of Education

Organization you are affiliated with: Texas Laser Institute

City: Irving

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Texas Laser Institute agrees with TDLR and is opposed to moving the Laser Hair Removal program from DSHS to TDLR. DSHS manages registration for facilities that have lasers that provide other laser procedures in addition to or other than Laser Hair Removal. It would not make sense to have TDLR managing the registration of Laser Hair Removal and all other class 3b and 4 lasers requiring to be registered through DSHS.

Any Alternative or New Recommendations on This Agency:

Texas Laser Institute recommends that the Laser Hair Removal program continues to be managed by DSHS along with all of the other laser registrations managed through DSHS.
