Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I oppose the recommendation to eliminate the Dyslexic Therapist and Practitioners license. As a parent of a dyslexic student, I deserve to know that the teachers/therapists instructing my dyslexic child are qualified to do so. These therapists go through extensive and expensive training that often extends past their master's degree. Please keep in mind, the dyslexic community continues to grow as more children are identified every day.

Any Alternative or New Recommendations on This Agency: Transfer to the Texas Department of Licensing and Regulation
