Subject: Form submission from: Public Input Form for Agencies Under Review (Public/After Publication)

Submitted on Monday, June 30, 2014 - 15:01

Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Javier

Last Name: Nunez

Title: Licensed Medical Radiology Technologist

Organization you are affiliated with:

City: Brownsville

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I opposed the motion to abolish the Licensing of Medical Radiology Technologist in the State of Texas. The use of radiation in imaging has to be regulated and individual must possessed the knowledge and accreditation of an approved educational institution in employing the use the mentioned. I just can not wait to see the can of worms that is going to be opened when non-licensed personnel over radiates or administers a lethal dosage of radiation to a politician or their family members...Why not abolish licenses of pharmacy technicians, nurses, airplane pilots, the question itself is preposterous. The abolishment of licensed medical radiology technologist will affect the malformations defects in unborn babies, undergrowth of over-exposed children and deaths over the years to come.

Any Alternative or New Recommendations on This Agency: I opposed the motion to abolish the Licensing of Medical Radiology Technologist in the State of Texas.

My Comment Will Be Made Public: I agree
