Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I appose the Delicensing of Respiratory Therapist. We deliver specialized therapies at the bedside. We work along side the Doctors and Nurses. We intubation patients and manage life support. Many other life saving procedures. We are a specialized group of providers. Please reconsider our delicensing. Thank you!

Any Alternative or New Recommendations on This Agency: Let our licensure be handled by the licensing regulations department.

My Comment Will Be Made Public: I agree
