Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Keral

Last Name: Patel

Title: Radiology Manager

Organization you are affiliated with:

City: Irving

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: My recommendation is to continue with the state licensing requirement for Radiology Technologists. To ensure proper use of radiation for any treatment planning is key to technologists in this field. The state should reconsider eliminating this requirement, as ultimately it will effect the type of care a patient receives in hospitals, imaging centers, and other public health facilities.

Any Alternative or New Recommendations on This Agency: Do not eliminate the state requirement for Radiology Technologists.

My Comment Will Be Made Public: I agree
