Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

We would be doing ourselves and the citizens of this great state a disservice to eliminate Code Enforcement. Code Enforcement is a vital role in the Euless Police Department. Code does a lot more than just high grass and weed abatement. We help those who can't or won't help themselves. From dilapidated structures to mosquito infested pools, Code Enforcement is an integral part of the solution to ensure the public welfare and safety of our citizens. I do not support the removal of the Code Enforcement profession or references from the Texas Occupation Code or any other piece of State law.

Thank you for you understanding,  
James Patterson
