Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the Committee's recommendation to eliminate Code Enforcement Officers from current state regulations, licensing and certification. I also disagree with the committee's findings that Code enforcement Officers are not critical to the public's welfare. I believe that Code Enforcement Officers are critical to public welfare and eliminating the regulation of this profession would negatively impact the profession.

Any Alternative or New Recommendations on This Agency: Keep Code Enforcement Officers as currently regulated.

My Comment Will Be Made Public: I agree
