Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the reconstitution of our board as an advisory committee as our professional license is unique and it requires an advanced degree. Also  
- as health professionals the complex work we do requires oversight by experienced licensed professionals trained with the highest ethical standards unique to our profession.

Any Alternative or New Recommendations on This Agency: Provide regulatory powers to a committee of experienced licensed professionals.

My Comment Will Be Made Public: I agree
