Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am very disappointed with the Sunset Advisory Committee's recent recommendation regarding Code Enforcement Officer registration. This is a professional position that should require state licensure/registration. Taking away this registration would affect the credibility of Code Enforcement Officer's within a municipality. I believe I speak for all Code Enforcement Officers within the State of Texas when I say that I do not support the recommendation to discontinue state regulation for Code Enforcement Officers.

Any Alternative or New Recommendations on This Agency: NONE
