Subject: Form submission from: Public Input Form for Agencies Under Review (Public/After Publication)

Submitted on Friday, June 13, 2014 - 15:07

Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Deborah

Last Name: Quinn

Title: Professor, Radiologic Tehnology McLennan Community College

Organization you are affiliated with: Texas Society of Radiologic Technologists

City: Waco

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please consider continuing the requirements for state license of Radiologic Technologist. States without license requirements have untrained people performing procedures delivering radiation to adults and children. A license requirement would insure a trained professional would be delivering health care using the ALARA (As Low as Reasonably Achievable) principles.

Any Alternative or New Recommendations on This Agency: Require state license and Continuing Education Unit requirements as described and accepted by the American Registry of Radiologic Techologist.

My Comment Will Be Made Public: I agree
