Your Comments About the Staff Report, Including Recommendations Supported or Opposed: It seems foolish or perhaps reckless to make rules for youth camps without a formal advisory committee that includes Texas camping leaders. This is not to say that the camping leaders make the rules but why wouldn't you want the input of this committed group, most of which have been operating camps successfully and safely for 10, 20, 30, 40 years or longer.

Any Alternative or New Recommendations on This Agency:
Keep the youth camp advisory group in existence
