Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to the decision to abolish licensure for dyslexia therapists & practitioners. Dyslexia is a very serious condition that requires specialized training. The decision to sunset this licensing process will take away a critical element that allows citizens to select qualified therapists.

Any Alternative or New Recommendations on This Agency: I recommend this agency overturn the decision to sunset this licensure program. Please leave in place the program that exists today and allow Texas citizens the ability to choose a therapist with the appropriate credentials.

My Comment Will Be Made Public: I agree
