Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am appalled that the Sunset Committee is recommending removal of State MRT certification. This is a huge back step for the profession. States without oversight allow almost anyone to take x-rays and the quality is very poor, sometimes Radiologist can not diagnose from them. I do not want that time of service for myself or my family. Please continue to regulate MRT's in Texas.

Any Alternative or New Recommendations on This Agency: KEEP REGULATING MRT'S IN TEXAS!
