Your Comments About the Staff Report, Including Recommendations Supported or
Opposed:

Several youth camps let by pioneers such as Si Ragsdale, Larry Graham, Carl Hawkins and Tex Robertson, my dad, worked with the Texas Health Department, now the TDSHS, to create the rules generated by the Youth camp Safety act.

The result was a partnership that has strengthened the Texas youth camp community for almost 40 years.

The Youth Camp Advisory Committee was formed to facilitate that partnership and provide the Department with the valuable input of camp professionals, parents and the general public.

Camp Longhorn as a member of the youth camp community and of the Camping Association for Mutual Progress (CAMP) strongly recommend that the Youth camp Advisory Committee be allowed to work with the Department to encourage and support camping for many thousands of Texas youngsters.

Sincerely,
John Robertson,
Camp Longhorn
