Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I oppose the discontinuation of the Dyslexia Therapist Licensure.

Texas is the leader in servicing our public school dyslexia population with well trained therapist. Discontinuing the licensure sends the message that Texas does not value the importance of well trained, quality therapists. It is a step backwards!

Any Alternative or New Recommendations on This Agency: I trust that the state of Texas will continue to move forward instead of backwards with quality instruction for its dyslexic population of students. Allow dyslexia therapists to continue to be eligible to obtain our licensure.
