Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I Do Not Support the recommendation to discontinue state regulation for Code Enforcement Officers. Code Enforcement Officers have made an impact in every community in preserving a cleaner and safer environment for everyone to live in. I have no doubt that every city would support in keeping Code Enforcement for their city.

Any Alternative or New Recommendations on This Agency: I recommend to receive public input and find out what the public wants by taking a public vote to find out if they support Code Enforcement or not for their city.

My Comment Will Be Made Public: I agree
