Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Felicino

Last Name: Salazar

Title: Building Inspector/Code Enforcement Officer

Organization you are affiliated with: City of Weslaco

City: Weslaco

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I DO NOT support the recommendation to discontinue state regulation for Code Enforcement Officers. As with any state regulatory agency, they are in place to insure that well qualified individuals are providing the necessary services to the public. With out well qualified individuals that have been certificated and continue maintaining their credentials who would be task with their primary functions of enforcing state and local provisions. Code Enforcement Officers have shown their vital role within a municipality's infrastructure to maintain proper health and safety standards. To simply do away with this regulatory agency would mean that more than 20 yrs of hard work and progress would be flushed down the drain.

Any Alternative or New Recommendations on This Agency: Current requirements are good but, a little bit more recognition would be beneficial to show the importance that this agency and its officers play in the day to day operations of any given municipality thru-out the state of Texas.

My Comment Will Be Made Public: I agree
