Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to the de-licensing of the respiratory therapists. We work very hard for our license, and provide one of the best care as respiratory therapist. Please consider that patients with pulmonary problems will suffer. I am going to opposed all the way and even voting against, I am fighting for what is correct. I do encourage to look into what respiratory therapist do before making a decision.

Any Alternative or New Recommendations on This Agency: Do not de-license people in the medical field without knowing what the profession is all about, what people do or the type of care that is provided, because other fields are not din the nursing profession does not mean we are not necessary.

My Comment Will Be Made Public: I agree
