Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I have receive the excellent service of a licensed midwife through 2 pregnancies and births and just loved everything about it! They treated me so respectfully and lovingly. they do there job well and love it. The Midwife are so professional and love assisting mamas bring these beautiful babys safely into the world. they check the babies heart rate so often and check on mama to see if everything is going good! Being there along (besides the midwife) allows it to be more personal for Us as parents and bond with the baby. I Thank God for our Midwives so much!!!

Any Alternative or New Recommendations on This Agency: I just really pray and hope that we will be able to go to our Midwife with all pregnancies and births in the future. And that there service will be available for all woman that chose them! They are doing a Great professional Job and it hopefully will be seen that way!
