Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Cathy

Last Name: Schuhsler

Title: Parent of dyslexic child

Organization you are affiliated with: None

City: Houston

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Licensing of dyslexia specialists is critically important to parents of dyslexic children seeking sound, professional help for their child.
Please don't muddy the waters for these parents. Educating dyslexic children in Texas is challenging and difficult enough without forcing parents to try and determine which "specialists" are qualified and which aren't. Dyslexia specialists should remain licensed.

Any Alternative or New Recommendations on This Agency: The requirement for dyslexia specialists to be licensed should be permanent.
