Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Howard

Last Name: Shadix

Title: Radiological Technologist

Organization you are affiliated with:

City: Ft. Worth

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support removing licensure requirements for ARRT technologist. It only takes money out of our pockets and provides no substantial benefits. There are back doors to the rules. The only people it affects are the ones trained and certified in Radiology. Takes time out of our schedules to complete CME's that are generally a joke anyways. They provide very little useful information if any to techs.

Any Alternative or New Recommendations on This Agency: No more CMRT and really don't need ARRT.

My Comment Will Be Made Public: I agree
