Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I appose the dissolving of the licensing of mold assessors and mold remediators. Why end a system that is working well to protect the public from uneducated and inexperienced opportunists? Please do not dissolve this licensing program. I would like for you to keep this program running as-is. If you end the licensing, innocent folks are liable to hire the wrong person to help them with their mold issues.

Any Alternative or New Recommendations on This Agency: Keep the mold assessors and mold remediators licensing program in tact and do not change it.

My Comment Will Be Made Public: I agree
