Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

The staff report is what it is. The same concept of the staff report can be applied to our Congress. As for discontinuing medical radiologic technologists to be licensed is just asinine. How would you like a person with the qualifications of a grocery bagger be able to perform radiologic exams on you or your family...?

Any Alternative or New Recommendations on This Agency: Your agency (Sunset) need to go away.
