Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the discontinued regulation of Registered Code Enforcement Officers by the State of Texas. This is a public health and safety protection issue that I feel strongly about. Thank you and please reconsider for the health and safety of every municipality in the state.

Any Alternative or New Recommendations on This Agency: Please continue the state regulation of Code Enforcement Officers. It doesn't matter what agency regulates them as long as they remain professional and proficient.

My Comment Will Be Made Public: I agree
