Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to the ending of the Youth Camp Advisory Committee. It seems to me that there is a real need to make sure that summer camp professionals should be a part of the discussion for the formulation of rules and regulations that govern the operation of Youth Camps in Texas. Dialog between those who make policy and those who put it into practice is a necessary requirement for effective policy making.

Any Alternative or New Recommendations on This Agency: If the cost of having a committee meet is a concern, then I would suggest that we use technology to allow the committee meet without having everyone physically present in Austin.

My Comment Will Be Made Public: I agree
