Your Comments About the Staff Report, Including Recommendations Supported or Opposed: It is not right to stop educating Clients and offenders on DWI, interventions and drug offender programs because. DSHS is unorganized. These programs are vital and necessary. Seem to be lumped in with things that dont work but these programs WORK. Do your job and keep them in process.

Any Alternative or New Recommendations on This Agency: split it up but do not do away with programs that are required for educating the public. Theses programs are important to educate offenders that do not have a clue of laws.

My Comment Will Be Made Public: I agree
