Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Douglas

Last Name: Studebaker

Title: Radiology Technologist R.T.(R)(CT)(VI)(ARRT)

Organization you are affiliated with: The American Registry of Radiologic Technologists

City: Fort Worth

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I have been a proud X-Ray Tech for 20 years. And I feel the standards that ARRT has set forth for us to use are important. Without a Medical Radiologic Technologist Licensure Program the quality and patient care will go down. People will be put in harm's way with radiation. The licensure program keeps us all strong and viable to care of people in the Heath environment.

Any Alternative or New Recommendations on This Agency: Do not discontinuance of the Medical Radiologic Technologist Licensure Program and repeal of licensure standards in Texas. Bad idea.

My Comment Will Be Made Public: I agree
