Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: David

Last Name: Suydam

Title: radiologic technologist

Organization you are affiliated with: none

City: Round Rock

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am appalled that you would even consider to discontinue having a licensure program for medical radiation technologist. The decrease in quality care and increase in unnessasary radiation to patients is exactly what would happen. The safety and well being of all texans would be in jeopardy if this was allowed to happen!

Any Alternative or New Recommendations on This Agency: Keep lisencure for medical radiation technologist

My Comment Will Be Made Public: I agree
