Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose abolishing licensure for dyslexia therapists and practitioners. Without upholding standards, finding treatment for students with dyslexia is confusing and a hit-or-miss proposition. Many precious years and dollars are often wasted when ineffective strategies for strategies are employed. This is discouraging and unnecessary when almost all students can learn to read with a licensed therapist.

Any Alternative or New Recommendations on This Agency: Please continue to support licensure for dyslexia therapists and practitioners.

My Comment Will Be Made Public: I agree
