Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not do away with the Academic Language Therapy program. I re mediate my son using a private therapist. He took three years. He attended Bear Creek Intermediate his ONLY year in public school. He passed the STARR because he went through the ALT program. This program is the BEST hope for our students to succeed and become independent successful learners. Dyslexia can be re-mediated with the right program.

Any Alternative or New Recommendations on This Agency: Continue to add services for Dyslexia, ADD, ADHD, and Autism Spectrum students- early intervention is the key to get them out of services by middle/high school.

My Comment Will Be Made Public: I agree
