Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support the San Antonio Clubhouse

Any Alternative or New Recommendations on This Agency: San Antonio Clubhouse is a great place because it is not clinical in nature. It is a unique alternative to typical mental health recovery. They focus on the abilities of people, not the mental illness that usually (and unfortunately) is their identifier. Clubhouse gives people a chance to gain confidence, skills in work and relationships, and a real chance for success.
