Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please don't abolish the Sunset Advisory Commission this is the only organized way to make our voices heard from the camping community. I feel this is a very important organization because there are 564 registered camps in the Great State of Texas and there are 11,000,000 children going to summer camp nation wide. All of which are important the the future of our great nation.

Any Alternative or New Recommendations on This Agency: Keep the great work done by the the Sunset Advisory Commission and help protect the future of our country.

My Comment Will Be Made Public: I agree
