Your Comments About the Staff Report, Including Recommendations Supported or Opposed: We DO NOT support the recommendation to discontinue state regulation for Code Enforcement Officers. We need our professional Code Officers to provide the many services they give to our community. By discontinuing the state regulation you put citizens of every community in Texas in danger. We must have knowledgeable licensed officers to uphold City and State laws/ordinances.

Any Alternative or New Recommendations on This Agency: Please allow the state regulation of Code Enforcement Officers to continue.
