Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The Texas Midwifery Board should not be moved to the Department of Licensing and Regulation. I do not think it's appropriate for midwives and the midwifery community to be overseen by people who aren't skilled or educated as health care professionals.

Any Alternative or New Recommendations on This Agency: The current system for the midwifery board and associated rules are more than adequate to ensure that Texas midwives are offering safe and healthy care to their patients.

My Comment Will Be Made Public: I agree
